

CALL THE BALL

<http://www.mnwg.cap.gov/farmington>

ELTS FEAR US? - Up until our Rocket day it's been a while since we were called out on a Search and Rescue (SAR) mission. Some of you are probably saying "Huh we got called out?" Yes at around 4 am on Rocket day I was told "That man" is on the phone again. Apparently an ELT had been ringing the Air Forces RCC "alarm" for a hour or so in the Waseca area.

Unfortunately we didn't get a chance to chalk up another find as the local airport people found the squawking ELT 5 minutes after we were alerted and shut it down themselves. Those ELTs are learning!

A REALLY BIG SHOW - Because of the scrubbing of the Wing based competition (see RAD 96) Our unit has been tasked with the job of hosting and planning a Group 4 ES competition. Without a doubt this is the biggest thing we have done in many years. It will be the job of every member to see that this project is a success.

MEMBERSHIP DRIVE - Of equal importance is that we keep on the look out for new members to add to our roster. We will be working on some print media PR in the upcoming weeks.

MEETING SKED - Aug 8th Uniform of the day is Blues. Chaplain, Safety and Cadet Leadership.

Aug 15th Uniform of the day is **BDU with FULL FIELD GEAR** Tonight' s class will be full Ground School. Have your canteens full and your batteries charged. BBP kits, first aid gear the works!

Aug 22 Uniform of the day is Blues. Tonight will be the Aerospace and Navigation class.

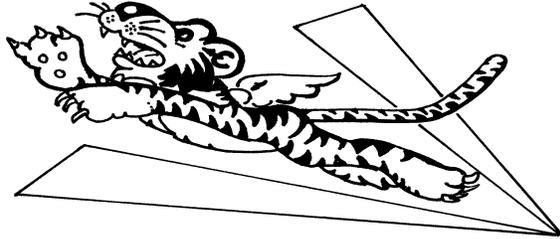

Aug 29th Uniform of the day is BDU
Class work to be determined.

To all flight members. When in doubt remember that even weeks 2,4 are always Blues. Odd weeks 1,3 are BDU. Or remember the Chaplain Mikitta desires we be in Blues when he visits on the 2nd week. Remember to please arrive promptly! Early attendees can use this time to work on exams or handle required paperwork..

130th Composite Flight

TO: ALL PERSONNEL, MN WING
SUBJECT: SARCAMP 2000 CANCELLATION
THE MINNESOTA WING SARCAMP 2000, SCHEDULED FOR 12 AUGUST, HAS BEEN CANCELED DUE TO LACK OF AVAILABLE COMPETITIVE TEAMS. THE WING ES STAFF WISH TO THANK THE RED WING AIRCREW AND THE RED WING, NORTHLAND AND ST PAUL GROUND TEAMS FOR THEIR INTEREST AND SUPPORT IN THE COMPETITION. WE WILL ATTEMPT TO SCHEDULE ANOTHER COMPETITION NEXT YEAR.

An updated MN Wing Calendar has just been posted to the Wing website, <http://www.mnwg.cap.gov/calendar/> Our thanks to Colonel Dennis Rock for keeping us up to date. 130th Squadron members continue to READ THIS on line! There are plenty of Wing Activities you can attend but you have to know about them! Check it out.

The 130th Composite Flight Webpage has been updated to multipage format. Faster! More pictures! And now a proud member of the CAP Web ring. Check it out <http://www.mnwg.cap.gov/farmington>

A Level 1 will be held at St. Croix squadron, Lake Elmo airport, on August 9, starting at 1800. Contact 1 Lt. Bruce Ramsden 651-439-3762 or e-mail at ramsglen@uswest.net. - LTC Roger R. Brogren St. Croix Squadron/CC

The **State Fair** Recruiting web page has been updated with a current listing of Squadrons that have signed up for a day at the Recruiting Booth. This is a once a year opportunity to bring in new members to your unit as well as help other Squadrons in our wing grow. If you are interested in signing your squadron up for the event please contact the project officer at al.pabon@mnwg.cap.gov

Several new MN Wing Forms are now available on the MN Wing Web Site (<http://www.mnwg.cap.gov/>). In addition, MN Wing Form 7a has been updated. Please download this new version and discontinue using the old version that was one the web page as it was missing several key pieces of information. Right now, all of the

updated/added forms are available only in MS Word. The PDF versions should be available shortly. Also, information on the 2000 Commander' s Workshop has been added to the Activities/Events section. And lastly, there is a page in the Activities/Events section with pictures and descriptions of the retirement ceremony of Major Mike Mandy at Wing HQ. Chet A. Kudos

very nice things are being said about the success of the model rocketry program we had at the Sky Harbor Airpark. Some of the gossip and rumor is that this should be a Wing Activity next year!
