Travel Arrangements:

Travel will be the responsibility of each student. We encourage you to arrange car pools within your unit and with other nearby units. Flight Operations are **NOT** authorized into Camp Ripley or Miller Army Airfield.

Please insure that the driver of the vehicle has a current Minnesota Driver's License and proof of registration on their person. You will need this to get onto Camp Ripley. When your rides come to pick you up on Sunday 20 October they will also need these items to get on the post.

If you drive your own vehicle to Camp Ripley please be prepared to turn in your vehicle keys at registration.

BCOC Start and Arrival Times

BCOC will start at 2000 on Thursday 17 October. We are located at Building 7-133. A map will be posted to the MLA website (www.mnwg.cap.gov/cp/mla02) in the student info section.

Registration opens at 1830 and closes at 1950. Building 7-133's phone is 1-320-

632-7645. We also have VHF radio communications set up. The call sign is Star Fish 900. This number and call sign will be operative starting at 1800 18 October. For emergencies only Parents and Commanders can call Post Security at 1-320-632-7339.

Attendees and staff will be able to arrive as early as 1500. The advance party will have the building opened at that time.

The activity is scheduled to conclude in the early afternoon on Sunday, 20 October. Personnel will be released after the barracks have been turned in to Camp Ripley. NO one will be released until the building has been turned in. (We plan on this to happen before 1600)

Attached to this letter is a packing list. Please use this list to ensure you bring all necessary items. You are responsible for ensuring your grooming meets all CAPM 39-1 standards prior to arrival. We will be on post with several Reserve units and an Army Guard unit that will be deploying to support the war. We must all take special efforts to look and be the best that we can be.

Again congratulations and I look forward to seeing you on October 17th.

AL PABON, 1st Lt, CAP
Project Officer, 2002 Cadet BCOC and BCOC

BCOC Equipment List

This is a recommended equipment list for the 2002 BCOC. If you require additional items (medications, etc.) by all means, BRING THEM!

Please note that you need to bring a sleeping bag. NO bedding will be provided. Also please bring all needed uniforms with you to BCOC. If you do not have a uniform item contact your squadron supply for it or have your squadron contact Wing Logistics and they may be able to help.

There is a Clothing Sales Store (MCSS) at Camp Ripley. It has a very limited inventory and does not carry Air Force Blue uniform items. So be prepared.

The duty uniform will be the short-sleeve blues combination with no ribbons. Full Service Dress will not be worn during the BCOC. Ribbons and devices are required for graduation. Flight Caps are the only headgear authorized for BCOC. No service caps.

Students are encouraged to wear the pullover sweater or windbreaker. All-Weather Coats are also authorized.

You must also have a PT uniform with you. Students will be traveling to the Armory in the evenings and you should dress appropriately (warm-up jacket, wind pants, sweats, gym shoes and gym shorts.) Squadron and CAP shirts are welcome. Shirts with inappropriate themes are not authorized.

There will be no contraband search. However this is a CAP event and the usual protocols will be observed. No weapons, tobacco products, adult beverages, illegal substances and pornographic materials will be brought to BCOC. If these materials are found they will be confiscated and you will be disciplined. This discipline could include grade reduction and possible termination of CAP membership.
