New Press Release Tagline

Civil Air Patrol is a nonprofit organization with some 64,000 members nation-wide. It performs 95% of continental U.S. inland search and rescue missions as tasked by the Air Force Rescue Coordination Center and was credited last year by the AFRCC with saving more than 140 lives during fiscal year 2003. CAP volunteers also perform homeland security, disaster relief and counterdrug missions at the request of federal, state and local agencies. The members take a leading role in aerospace education and serve as mentors to the almost 27,000 young people currently participating in CAP cadet pro-grams. CAP has been performing missions for America for more than 60 years.

PAO Reports
Why it's Important and What's New

Crystal, MN – 13 December 2003

New Submission Method

Performing Missions For America

Why It's Important

CAP Reg 190-1 requires Wing PAO's to submit to National Headquarters/PA a quarterly report of PA Activities in the wing and its subordinate units.

To this end Wing/PA requires units to submit a quarterly report of their PA Activities. This is accomplished by using Wing Form 14a.

Units that submit all 4 of the quarterly reports in a calendar year are awarded 1 point in the "Commander's Emphasis Items." 1/4 point is awarded for each quarter.

The report also allows the Wing PAO to measure the Unit's PA Program and see where he can help.
